MAJOR GRANTS

Enabling Grants

Project Grants
El-Osta A. A new paradigm for SW/SNF chromatin function; the ATPase dependent remodeler is a member of the McCP2 complex. 2004-2006: $250,500. Administering institution: Baker Institute.

Research Fellowships

Practitioner Fellowships

Career Development Awards

Industry Fellowship

Training Fellowships

Other Australian Grants

Asthma Foundation and Department of Health and Ageing (Federal Government) – Asthma Targeted Intervention Grant

AusID - Bilateral Program Grants

Toole M, Crockett S. PNG national AIDS support program. 2000-2006: $1,000,000. Administering institution: Burnet Institute.

AusAID – Biotechnology Innovation Fund Project Grant

AusIndustry - Biotechnology Innovation Fund Project Grant

AusIndustry – Commercial Ready Grant

Australian Centre in Hepatitis and HIV Virology Research (ACHV) – Project Grants

Australian Health Management Group – Project Grant

Australian Health Minister's Advisory Council (AHMAC) Priority Driven Research Program – Project Grant

Australian Research Council – Discovery Grants

Australian Research Council – Discovery Grants
J ackson S. Examination of the calcium signalling dynamics linked to integrin adhesion utilising a novel micro-imaging system. 2006-2008: $294,000. Administering institution: Monash University.

Australian Research Council – Linkage Grants

Australian Rotary Health Research Fund – Project Grant

Bethlehem Griffiths Foundation – Research Grant

CASS Foundation – Science / Medicine Grant

Department of Health and Ageing (Federal Government)

Department of Human Services (Victorian Government)

Department of Innovation, Industry and Regional Development (Victorian Government) – Science, Technology and Innovation Grant
Australian Centre for Health Care Innovation (joint venture between Bayside Health, Monash University, La Trobe University, Baker Institute).

Diabetes Australia Research Trust – Research Grants
J andelet-Dahm K, M aude P, Sviridov D. The role of vascular NADPH oxidases in diabetes associated atherosclerosis. 2006: $45,000.

Foundation for High Blood Pressure Research – Postdoctoral Fellowship

Ian Potter Foundation – Research Grant
Buchbinder R. Health literacy in the general population. 2006: $50,000 Administering institution: Monash University.
Kidney Health Australia – Bootle Grant
Thomas M. Novel diabetes research – to explore a link between insulin and the complications it causes. 2006-2010: $1,000,000. Administering institution: Baker Institute.

National Breast Cancer Foundation – Project Grant

National Heart Foundation Australia – Grant in Aid

National Heart Foundation Australia – Overseas Research Fellowship

National Heart Foundation Australia – World Congress of Cardiology/NHF Clinical Fellowship

Pfizer – Cardiovascular Lipid Research Grants

VicHealth – Discovery Grant

VicHealth – Fellowships

Victorian Trauma Foundation – Initiative Grant
Lyons L. Supporting and strengthening trauma research through an enabling grant for personnel and administration costs at the NTRI. 2006-2007: $846,905. Administering institution: The Alfred.

Victorian Trauma Foundation – Outcomes Grants

Victorian Trauma Foundation and Department of Human Services (Victorian Government) – Outcomes Grant

Victorian Trauma Foundation – Practice Grants

Kossmann T. Establishment of the VTF Centre for Trauma Research and Practice (VTF-CTRP) within the National Trauma Research Institute. 2003-2006: $1,500,000. Administering institution: The Alfred.

Victorian Trauma Foundation – Research Fellowship

Victorian Trauma Foundation – Research Grants

American Foundation for AIDS Research (amFAR) - Fellowships

American Foundation for AIDS Research (amFAR) – Project Grant

Association for International Cancer Research (UK) - Project Grant

Baxter Renal Discoveries Grant Program

The Campbell Foundation (USA)

Family Health International – Project Grant

Family Health International – USAID Mekong Regional Program

Juvenile Diabetes Research Foundation International (JDRFI) – Career Development Award

JDRFI – Innovative Grant

JDRFI – Program Project Grant

JDRFI – Project Grants

JDRFI – Sub Grant to Albert Einstein Center Australian Arm Core B

JDRFI – Albert Einstein Center Australian Arm Project 4

JDRFI – Training Grant

N abonal Alliance for Research on Schizophrenia and Depression, USA – Young Investigator Award

Stanley Medical Research Institute (USA)

United Nations Development Program – Fund for HIV/AIDS in Myanmar Grants

United Nations Development Program – Global Fund for AIDS Tuberculosis and Malaria Grant
